## REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

High schools and universities across our state and nation face the challenge of producing graduates who are prepared to work in the fields of science, engineering, mathematics, and technology. As such, we have made it a goal to develop a program that would afford interested students increased rigor in these particular areas. Many successes have occurred during the 2011-2012 school year at Wilson High School. Our teachers provided an enriching and challenging yet supportive curriculum to meet the needs of each student at Wilson High School. Technology and hands-on manipulatives were also incorporated to make lessons even more student friendly. Parents and community members continue to be actively involved in the school. Together we are committed to provide a quality educational experience for every student. As we look toward next year, Wilson High School will work to maintain improvements in home-school communication and focus on programs that will help us to meet the diverse needs of a growing student body. We are most fortunate to have a faculty and staff that looks at student achievement beyond what is measured on standardized tests. Wilson High School will continue to embody a strong commitment to the overall development of students, allowing them to experience success in and out of the classroom while providing them with opportunities to develop character and responsibility needed by those who are the future of our communities, our state, and our nation. I commend them on their hard work during advisement and in their classroom, as they focused on improving student achievement on the HSAP. We are proud to proclaim that our students, with the encouragement of a caring faculty and supportive alumni, forged their mark in Wilson history. Some of our outstanding accomplishments include the following:

- \$245,000 through the SC Education Department's "Five-Point Support for At-Risk Students" grant
- WHS Boys Basketball Team wins Region VIII-AAA Championship
- Creation of the Principal's Honor Roll, in order to recognize students with a GPA of 3.0 or Higher.
- Academic Team competes at USC Challenge-2011 Winner AAA High School Division. Team wins Pee Dee Region Championship-2012.
- WHS student wins National Merit \$2500 scholarship.
- IB Senior collected more than 7,000 pounds of food by organizing the Peanut Butter and Jelly Drive to benefit Harvest Hope Food Bank. It's the second-largest donation made to Harvest Hope during the past two years and the largest this year. GO WILSON!
